

TELEMENTAL HEALTH

WHAT CLINICIANS NEED TO KNOW

April 2020

Registration link:

<https://thecounselingteam.com/registration-telemental-health-webinar/>

Participants can expect gain knowledge about the following aspects of being a Telemental Health provider:

- 1 full hour of legal and ethical considerations
- HIPAA compliant platforms
- Fostering and maintaining the therapeutic connection
 - Informed consent
- A chance to implement your knowledge and practice following the training and then attend a Q&A session with the instructor at a later date. This gives clinicians a chance to formulate additional questions and obtain answers, information and feedback to support their continued use of Telemental Health services
- 3 free CEUs (Please check with your local state governing board to determine if CEUs are transferrable and applicable to your state CE licensing requirements. It may not be applicable in all states)

MEETING DETAILS

Webinar will be conducted via Zoom. Meeting ID and link to be emailed upon registration.
