

Alana Negroni, M.S. Alana has a master's degree in Forensic Psychology and a master's degree in Counseling Psychology from California Baptist University. She is presently getting her Ph.D. in Clinical Psychology. Her professional experience focuses on the treatment of trauma as it relates to first responders and their families. Alana is EMDR trained and has worked with survivors, first responders, and family members of victims of mass violence. Her trauma work includes major incidents such as the San Bernardino Terrorist Attack and the Route 91 Las Vegas Mass Shooting. Alana has been with the Counseling Team since 2008 and has served in various roles within the company. She is a POST certified instructor and is currently a member of the 24-hour critical incident stress debriefing team.
